

## Nursing Refresher Program

*... a flexible alternative to traditional programs*

Program includes online instruction, a laboratory course and a clinical preceptorship. Designed for RNs or LVNs:

- 1) with a current license who have been away from the clinical setting for more than 4 years;
- 2) applying for reinstatement of their TX nursing license;
- 3) applying for TX nursing licensure coming from another state or country.

**For registration information contact your community college:**

**For additional information: <http://nurserefresher.austincc.edu>**
