

Transfer Program Map Geography

Degree: Associate of Science in Geography (AS)

LIBERAL ARTS

Transfer Program Description: Geographers look at the interaction of human and natural environments, movement, and regions. Students who major in Geography will ask questions about what is where and why, or how people interact with their environment, or how climate change will affect us. Students choosing to study geography typically follow the pathway through the Geography Program at Austin Community College, then transfer to a bachelor's degree program at a four-year institution.

Pre-Degree Requirements		
Program Specific	Reading and Writing Placement <i>Placements based on TSI</i>	Mathematics Placement <i>Placements based on TSI</i>
To receive an Associate of Science in Geography, a student must make a minimum grade of 'C' in all core curriculum and all geography courses, and have an overall GPA of 2.0 or higher.	<ul style="list-style-type: none"> <input type="checkbox"/> Basic Developmental Courses <input type="checkbox"/> ESOL Courses <input type="checkbox"/> INRW Courses 	<ul style="list-style-type: none"> <input type="checkbox"/> MATD-0332 - Basic Math Skills <input type="checkbox"/> MATD-042x/032x – ALEKS Sequence <input type="checkbox"/> MATD-0385/0485 – Developing Mathematical Thinking <i>Not prerequisite for MATH-1314/1324</i> <input type="checkbox"/> MATD-0370 – Elementary Algebra <input type="checkbox"/> MATD-0390 – Intermediate Algebra <i>Take MATD-0370 and 0390 to prepare for MATH-1314/1324</i>
SEMESTER-BY-SEMESTER PROGRAM PLAN FOR FULL-TIME STUDENTS <i>Plans can be modified to fit the needs of part-time students by adding more semesters</i>		

Semester 1	CR	Advising Notes
EDUC 1200 - Effective Learning: Strategies for College Success	2	All first-time Austin Community College (ACC) students with fewer than 12 SCH of successful college credit must take the EDUC 1200 course in their first semester at ACC. See an advisor or full-time faculty member in Geography for more information.
ENGL 1301 - English Composition I	3	Prerequisite: TSI complete in reading and writing or exempt.
HIST 1301 - United States History I	3	
GEOG 1303 - World and Regional Geography	3	
MATH 1314 - College Algebra	3	Prerequisite: MATD 0390 with a C OR satisfactory score on the ACC Mathematics Assessment Test OR completion of TSI requirements in mathematics.
	14	Program Semester Hours – Meet with your advisor
Semester 2		
GEOG 1301 - Introduction to Physical Geography	3	
ENGL 1302 - English Composition II	3	Prerequisite: ENGL 1301 OR equivalent with minimum grade of C.
HIST 1302 - United States History II	3	
PHIL 1301 - Introduction to Philosophy OR PHIL 2306 - Ethics	3	
Social and Behavioral Sciences	3	Choose any course from the appropriate section of the Core Curriculum (that is not already specified as a degree requirement). See a full time Geography faculty member for advice on which course would be most appropriate for your goals.
	15	Program Semester Hours – Meet with your advisor

Semester 3		
GEOG 1302 - Human Geography	3	
GEOG 2470 - Introduction to Geographic Information Systems (GIS)	4	
GOVT 2305 - United States Government	3	
Life and Physical Sciences	3-4	See a full-time Geography faculty member for advice on which course would be most appropriate for your goals.
SPCH 1311 - Introduction to Speech Communication OR SPCH 1315 - Public Speaking	3	Must be a transferable course.
	16-17	Program Semester Hours – Meet with your advisor
Semester 4		
GEOG 2389 - Academic Cooperative in Geography	3	Students must consult with a faculty advisor in Geography before registering for this course. Students may also substitute another course with permission of a Geography faculty advisor.
GOVT 2306 - Texas State and Local Government	3	
Life and Physical Sciences	3-4	Recommend ANTH 2301, ENVR 1301, GEOL 1305, or GEOL 1403 (based on student's academic goals).
Creative Arts	3	See a full-time Geography faculty member for advice on which course would be most appropriate for your goals.
Core Restricted Elective	3	Select a course from the Component Area Option of the Core Curriculum Course List. ACHIEVEMENT: Associate of Science degree in Geography
	15-16	Program Semester Hours
Total Program Hours: 60-62

Geography

Degree: Associate of Science in Geography (AS)

Career & Transfer Resources Updated 8/18/17

Transfer Information

The Associate of Science in Geography provides a transfer pathway to a 4-year college or university where students can earn a bachelor's degree. Students are strongly encouraged to select a transfer destination by the time they have completed 24 semester credit hours.

Common majors students pursue at a 4-year institution include: Geography, Geographic Information Science & Technology, Environmental Geosciences

Transfer Guides: *The universities listed here do not constitute an ACC endorsement. Transfer course evaluations and determination of what courses will count toward a bachelor's degree are made by the receiving transfer institution.*

The University of Texas at Austin: <https://admissions.utexas.edu/apply/transfer-resources/acc-transfer-guides>

Texas State University: <http://www.admissions.txstate.edu/future/transfer/tpg.html>

Texas A&M University: <https://admissions.tamu.edu/transfer/majors>

Texas Tech University: <http://www.depts.ttu.edu/advising/twoyearplan.php>

The University of Texas at San Antonio: https://www.utsa.edu/advise/1617_transfer/acc.html

Additional Transfer Resources: ACC's transfer website provides information on additional colleges & universities: <http://www.austincc.edu/transferguides>. Students are encouraged to consult with a faculty advisor, area of study advisor, and/or their chosen transfer institution to ensure courses taken at ACC will apply toward their bachelor's degree program.

Career Information

Geographers have a broad range of career options using their ability to analyze spatial organization of people, places, and environments on Earth's surface, understand how culture and experience influence people's perceptions of places and regions, and knowledge of physical processes that shape the patterns of Earth's surface.

Common Job Titles

Geographers (includes Geographic Information Systems Analyst, Geographic Information Systems Program Director, GIS Geographer, GIS Physical Scientist, Research Coordinator), Park Naturalists, Weather Forecasters, Cartographers and Photogrammetrists, Surveying and Mapping Technicians, Environmental Scientists and Specialists, Urban and Regional Planners, Geological and Petroleum Technicians

Many career opportunities in this field require completion of a bachelor's degree or higher.

Regional Labor Market Information

Geographers: New workers generally start around \$43,643. Normal pay for Geographers is \$58,272 per year, while highly experienced workers can earn as much as \$70,699. There are currently 55 Geographers that are employed in Austin-Round Rock, TX. Source: <https://austincc.emsicc.com/careers/geographer>

Park Naturalists: New workers generally start around \$38,605. Normal pay for Park Naturalists is \$57,801 per year, while highly experienced workers can earn as much as \$78,921. Over the last year, 15 companies have posted 101 jobs for Park Naturalists in this region. There are currently 429 Park Naturalists that are employed in Austin-Round Rock, TX. Source: <https://austincc.emsicc.com/careers/park-naturalist>
