

**ARTS, DIGITAL MEDIA & COMMUNICATIONS**

Program Description: In 2D animation courses, students learn how to bring their artwork, characters and stories to life. Students learn to convert their artistic abilities from basic to advanced level hand-drawn and digital animation skills using the latest industry-standard software. Graduates prepare for a career in the animation industry as a storyboard artist, character designer or 2D animator. To make sure courses are taken in the required prerequisite course order, please contact the department for advising: 512-223-4864 or 512-223-4830.
