

Professional Photography: Editorial-Fashion Specialization

Degree: Editorial-Fashion Specialization Associate of Applied Science (AAS)

ARTS, DIGITAL MEDIA & COMMUNICATIONS

Program Description: This degree provides training in the theory, craft, and studio practice for professional portrait and editorial photography. This includes both in studio and on location assignments, fashion photography, and visual exploration. Graduates of this program qualify for jobs as photographer's assistants, photo-laboratory technicians, studio managers or owners. Minor variations desirable for student career goals may be accomplished within college policies by approval of the Program Coordinator.
